Divine New Life Fellowship

We are 20 Years young by the Grace of our God Almighty.

Preaching the Gospel, making Disciples...

About Us

- Started as a small house fellowship by few faithful Christian believers who had the passion for God and to serve the people in the land of a country in Middle East. This small house fellowship was later established as a congregation in 2004 and has grown to be larger group both spiritually and in numbers.
- Divine New Life Fellowship is the church ministry of Divine New Life Ministries (dnlm.org) which is a non-profit Christian mission organization registered in India. Our focus is on spreading the Love of Jesus Christ to all.
- Divine New Life Fellowship has churches in parts of India, Middle East and Nepal. Worship services daily/weekly are being organized in Malayalam, Nepali, Hindi, Odisha, English and Tamil languages.
- At Divine New Life Fellowship our doors are wide open to all those who wish to worship and serve the Lord with an open mind.
- We invite you to worship God with us in coming days!
- Know more about us by visiting our website at dnlf.org

Presidential Address

I, praise God for giving me the privilege to be a part of Divine New Life Fellowship, specially on its 20th anniversary. The God given vision and mission in the heart of Brother Paul Sunny led to the emergence of a blessed church. Bro. Sunny gave importance to his God-given vision more valuable than anything else and God transformed this dream to a blessed fellowship. "For who hath despised the day of small things?" (Zech. 4:10).

As it was in God's plan, the Church started to multiply within a short period. Many have completed their service in Qatar and returned back to Kerala and some of them have migrated to western countries with new opportunities. At the same Lord has been faithful in bringing new people to the church. Today, as the pastor of Doha church I am happy for a blessed congregation.

The DNLF ministries has many mission stations and Churches in various states of India. Also we have Divine School of Theology for theological studies. A Children's home is functioning in Odisha under this congregation.

This year's theme for the church which is moving from adolescence to young adulthood is "Arise and Shine" (Isa. 60:1, Eph. 5: 14).

In this auspicious occasion, I sincerely express my gratitude to all who have been a part of DNLF, those who have prayed sincerely and worked dedicatedly for the expansion of the church. Also, my sincere wishes and prayer is that may the Lord Almighty thrive this church for His name to be glorified and for His Kingdom.
